

Risk Assessment

The assessment of risk must be seen as 'on-going' and 'dynamic', it is a risk benefit analysis. Continuing professional judgments regarding both of safety and health of participants will need to be made during the activity. A written Risk Assessment (Form 5) must be submitted with all Type A and Type B visit applications. It should include an alternative activity (Plan B), prepared and risk assessed. The key areas to be considered with the control measures identified and recorded are:

People:	Context	Organisation:
Type of Group	Activity	Activity Programme
Staffing	Venue/Environment	Travel/Journey
	Equipment	Assembly /Dispersal
		Emergency Procedures
